## The Texas Access to Justice Foundation

In 1984, the Supreme Court of Texas created the Texas Access to Justice Foundation, a 501(c)(3) nonprofit corporation, to administer funding for civil legal aid for poor Texans. The Foundation is committed to the vision that all Texans will have equal access to justice, regardless of their income.

Today, the Texas Access to Justice Foundation is the largest Texas-based funding source for civil legal aid, granting millions of dollars each year to nonprofit legal aid organizations throughout the state.

Since its inception, the Foundation has granted nearly \$770 million to legal aid organizations in Texas. These funds enable legal aid providers to assist more than 150,000 Texans each year in attaining access to the civil justice system.
